CAMPUS CONNECT · FOUNDING AMBASSADOR PROGRAMME

Be the face of interview-ready on your campus.

We are looking for our first 10 Campus Ambassadors across India. Build real-world experience in leadership, marketing and community building, and show it on your resume and LinkedIn.

- Certificate of Achievement
- Performance-based incentives
- Real leadership experience

3–4 hrs
a week, flexible

Myskillgrid™ is an interview and resume coach for job seekers in India. myskillgrid.com

WELCOME

What is Myskillgrid, and why ambassadors?

Many students walk into their first interview without ever having practised one. Myskillgrid changes that. A student picks the job they want, practises mock interviews, and gets a score, feedback and a stronger answer for every question. They also get their resume's shortlist score and the fixes that matter, plus a roadmap to interview-ready.

Students trust other students. That is why we are starting a small circle of **Founding Ambassadors**: classmates who help their campus get ready for placements, honestly and without spam.

Mock interviews

Practise for your target job and get scored, answer by answer.

Resume review

See your shortlist score and the exact fixes that matter.

Free roadmaps

Public roadmaps and interview questions for 900+ job titles.

Free to start: 1 short interview and 1 resume review, no card needed.

Who we are looking for

The profile

- Active in a placement cell, coding club, student association or tech community
- Any college, university or training institute in India, any year or discipline
- No marketing or sales experience needed: we will guide you

The mindset

- People on campus listen to you
- You get things done: this matters more than followers
- You'd rather bring ten genuine users than a hundred sign-ups

The pilot at a glance. Remote and flexible: about 3–4 hours a week, around your classes and exams. This is an unpaid, voluntary role, not an employment opportunity or internship.

YOUR ROLE

Five responsibilities, clearly defined

You'll know exactly what is expected each week. Nothing is hidden.

1

Introduce Myskillgrid

Tell your classmates, juniors and friends what Myskillgrid offers, in the groups where it is genuinely relevant.

2

Build awareness

Through college groups, WhatsApp and social media, sharing the posters and messages we approve so what students see is accurate.

3

Help students try it

Help them explore the free mock interview and resume review, and pass their honest feedback to the founder.

4

Connect us with your college

Introduce us to your placement cell or training coordinator so we can offer a demo.

5

Run small sessions

Organise or support interview-preparation sessions on campus, with materials and support from us.

A typical week (3–4 hours)

WHEN	WHAT YOU DO	TIME
Mon	Check your dashboard; post one useful resource in your groups	30 min
Wed	Help friends try a mock interview or resume review; support a session if one is planned	1–2 hrs
Fri	Follow up with students who joined; log your activity on the dashboard	1 hr
Sun	Send the founder a short note: what worked, what students said	15 min

Code of conduct. No spamming. Don't flood WhatsApp groups or push friends to register. Never claim jobs, placements or fees: *Myskillgrid never charges for jobs or placements and never calls asking for fees.* Spam, fake or self-referred accounts mean leaving the programme.

WHAT YOU GET

Benefits of being a Founding Ambassador

Performance-based incentives: earn your own plans

Incentives reward genuine results and are not guaranteed. As the students you bring pay for a pack, you can earn plans for yourself. **Starter** (₹199 value) when 5 of your students have paid, **Pro** (₹499) at 10 and **Max** (₹899) at 15. Each is a full 30-day plan (Starter 4 mock interviews, Pro 11, Max 21), switched on automatically. A student counts once their payment is a week old and not refunded.

Certificate of Achievement

A verifiable A4 certificate with a unique ID and QR code, signed by the founder. It lists your role, duration, the students you activated and the activities you ran, and grows as you do. Add it to LinkedIn. Your own dashboard shows every student you bring, by first name only.

Real leadership experience

Run real events, work directly with a startup founder, and learn outreach, community building and public speaking.

Free Myskillgrid access

Credits to explore the platform and improve your own interview preparation.

Founder access

Direct line to the founder, early looks at new features, and exclusive career-preparation sessions for ambassadors.

Recognition

Outstanding ambassadors are featured on our official LinkedIn page, with their permission.

Professional reference

We can provide a reference based on your actual contributions and performance.

Grow through the tiers

TIER	ACTIVATED	YOU ARE KNOWN AS
Founding Ambassador	On joining	Joined the first Campus Connect circle
Campus Starter	5	5 classmates practising for real
Campus Builder	15	Community of 15
Campus Leader	30	30 students interview-ready · bonus if budget allows

An **activated student** signs up, sets a target job, and finishes a mock interview or resume review. Duplicate, fake and self-referred accounts never count; we check every number.

Follow us on LinkedIn (required). Every ambassador must follow the Myskillgrid page, **linkedin.com/company/myskillgrid**, and like, comment on and share our posts so your campus sees what is happening.
Add it to your profile. Go to your LinkedIn profile → Add profile section → Experience. Title: *Campus Ambassador (Founding Ambassador)*. Company: *Myskillgrid*. Employment type: *Volunteer*. Add your start date and the work you do. Your Certificate of Achievement can go under Licenses & certifications.

GETTING STARTED

How to join

01
Apply
Tell us your college, year and the groups you're part of.

02
Chat
A short call with the founder. We reply to every application.

03
Onboard
Dashboard, invite link, plan rewards, posters. Follow our LinkedIn page.

04
Lead
Help students, log your activities, grow through the tiers.

What you can count on

What we offer

- Performance-based incentives, not guaranteed: Starter, Pro and Max plans as your students pay (5, 10 and 15)
- Certificate of Achievement, verifiable online
- Free Myskillgrid credits, dashboard, founder access, recognition
- A professional reference based on your real contributions
- A LinkedIn-ready experience entry

Common questions

Will it clash with my studies?
No. About 3–4 flexible hours a week. Exams come first: tell us and take a break.

Can I leave any time?
Yes. You keep your certificate for the period you served, and any plan you have already earned stays in your account until it ends.

How is the certificate approved?
The founder reviews your numbers and activities, then approves it. Anyone can verify it at myskillgrid.com/verify.

Do I pay anything?
Never. Joining is free, and we never ask ambassadors or students for fees.

Ready to lead?
